Bocas Bound Hostel

"Great for groups!"

Reviewed October 10, 2011

We chose Bocas Bound Hostel for a trip with a group of 30 students, and the staff was really helpful in organising activities, meals, movie nights. The kids enjoyed the hostel a lot, the common room with pool and ping pong table is a great place to keep them occupied and under control. The dorms had air conditioning and lockers. Highly recommended!
